Cost: Tuition for the 2015 class of Master Water Stewards is completely supported by generous funding from:

- Clean Water Fund
- Freshwater Foundation
- Minnehaha Creek Watershed District

- *Courses will be held at the Minnehaha Creek Watershed District: 15320 Minnetonka Blvd.*

Qualified applicants must:

- Be a resident in the [Minnehaha Creek Watershed District](#) (some slots may be reserved for persons from other areas of the watershed who would like to bring the MWS program to their communities)
- Complete application process **including one informational meeting**
- Be proficient in basic computer skills such as Microsoft Office, internet browsing and be willing to learn new programs.
- Be comfortable with public speaking and meeting facilitation.
- Be willing to serve as a community resource for environmental and watershed information.
- Complete all class sessions in the Master Water Steward certification process (attendance at all sessions is mandatory)
- Complete a Capstone Project.

Certification maintenance is expected. To maintain certification, a Master Water Steward must:

- Complete at least 50 hours of community service on restoration efforts within his/her sub-watershed
- Attend at least 8 hours of Continuing Education
